CHECKLIST

Shopify DPDP Checklist

Selling to Indian customers on Shopify makes you a Data Fiduciary. Work through this before 13 May 2027.

■ Checkout & Notice

- DPDP consent checkbox at checkout (not pre-ticked)
- Publish a DPDP-compliant privacy notice (S.5)
- Separate marketing consent from order processing

■ Security & Retention

- Two-factor auth; limit staff access
- Keep orders ≥6 yrs; marketing until opt-out
- Use Shopify's data-erasure tools
- Log all consents with timestamps

■ Processors & Rights

- Sign DPAs with Razorpay, Shiprocket, Klaviyo...
- Build a DSR process (access / correct / delete)
- Be able to export & delete across all apps
- Aim for a 7-day response (30-day max)

■ Breach & Watch-Outs

- Have a breach plan (72-hour clock, S.8(6))
- Marketing needs its own explicit consent
- You're responsible for your processors
- Security failure exposing data: up to ₹250 Cr
